of 36 unviable mills into 18 viable mills etc. The plan was to be implemented through generation of funds from the sale of surplus land/assets of NTC. Major portion of this land is located in Mumbai. The State Government of Maharashtra has yet given their approval for sale of land. Moreover, in case of 4 subsidiaries of NTC viz. NTC (UP), NTC (Guj.), NTC (WBAB&O) and NTC (MP), BIFR have not approved the plan on account of their net worth not becoming positive during the prescribed period. In view of the above the revival strategy could not be implemented.

On the basis of a unit-wise viability study made by NTC, Government is considering a revised turn around plan for the viable subsidiaries of NTC alongwith the viable mills under them keeping in view the BIFR norms of net worth of these mills turning positive within the period prescribed by BIFR. The inerest of the workers will be kept in view in the Revival Plan.
